So, I think they are close to having new data to post, but its not clear whether we will need to send out a Press Release about it. Also, there has been no word about when we will announce about the investigation. - George

Hi,

Looks like we'll need to be ready to send this evening and possibly tomorrow.

I added myself but am flexible for other times.

Seems like we know by about midnight if something is on the way or not.

Thanks!

Thanks, all!

George will call us on our cells as soon as he knows something is on the way.

- Template attached.

- Shift schedule below (thanks all!)
- Releases, so far, have only been sent to these two lists in Vocus:
  - Gold King Mine Spill
  - HQ OPS Alert
- Distribution should appear to come from our normal: "U.S. EPA Media Relations"
- And the "From" e-mail is also our regular: [noreply-subscriptions@epa.gov](mailto:noreply-subscriptions@epa.gov)
